Meet Malcolm

Malcolm Walalgie is embarking on an exciting new career as a 'Meet and Greet' at Kmart in Geraldton.

Malcolm is a friendly and energetic person who is in a wheelchair due to his cerebral palsy.

He started working with Christopher Collins, our DES Employment Development Specialist.

Together, they identified that a Meet and Greet role would be the perfect fit for Malcolm's skills and personality.

After perfecting his resume, Chris and Malcolm approached the local Geraldton Kmart.

With encouragement to apply, Chris supported Malcolm to complete the job application and prepare for his interview.

Success! A week later, Malcolm received a formal offer of employment and excitedly accepted the role!

Malcolm is now thriving at Kmart and continues to be supported by his #1 fan - Chris.
